RESPONSE TO NOTICE OF ALLOWANCE

On August 22, 2005 a Notice of Allowance ("the Notice") was mailed regarding the above-mentioned application. The Notice presented a statement of reasons for the allowance of the claims. Applicants traverse the statement in that it contains misstatements regarding the contents of the claims. For example, the statement refers to "the at least one motor speed" of claim 5 while claim 5 recites "at least two different motor speeds."

Applicants traverse the statement to the extent that there are broader and other reasons why the claims are allowable over the prior art.

Respectfully submitted,
